

Activity Title	Activity Description	Duration	Session Type
<b>Information session</b>	Our presentations can range from a Cheshire College overview to detailed talks on the different HE courses we have available, the qualification that can be gained at the end of the course, the costs involved and how a typical week would look. We're flexible in our approach and eager to tailor our content to your needs.	10 – 30 minutes	Presentation
<b>Sixth Form drop-in sessions</b>	We can visit local Sixth forms for informative sessions about Cheshire College and our HE offer. Whether students are undecided about their next steps or have questions regarding the courses we offer and the qualifications that can be achieved, we would love to come in and speak to them. Drop-in sessions can be in-person or virtual, we can be very flexible and try to work around the best time for you.	Flexible	Support & guidance
<b>Careers Fairs</b>	We're delighted to assist in any upcoming careers fairs at your institution. This provides an opportunity for your students to discover Cheshire College and explore the Higher Education courses we offer along with the benefits of studying at CCSW.	Flexible	Support & guidance
<b>Campus Tours</b>	We can arrange campus tours for individuals or small groups of students interested in exploring our HE offer and facilities. Tours are available at any time of the day, but if your students would prefer to visit when the college is quieter, we can offer 4:15pm tours. Additionally, we extend campus tours to school staff who guide students on career paths, showcasing our courses, facilities, and equipment.	45 – 1 hour	Campus Tour
<b>Digital Hub Bus</b>	Using our digital hub bus, we can attend Sixth forms, Pledge event, careers, and local authority futures events. This bus enables us to deliver presentations, specific course talks, and applications support. It also showcases our cutting-edge equipment and facilities available at CCSW that students on HE courses will have access to, including the Digital hub funded equipment.	Flexible	Workshop

<b>HE Guide</b>	We can deliver our comprehensive HE guides containing all necessary information about our HE offer available for prospective students. This will cover our course offerings, course content, attached costs, student support and qualifications available.	<b>N/A</b>	<b>Drop off</b>
<b>Careers Leaders update</b>	We invite careers leaders from our partner schools and local authority to attend our annual conference to share key updates including our HE offer & student support. Confirmed dates to follow.	<b>2 hours</b>	<b>Conference</b>
<b>Lecture talks/ webinars</b>	Our lecturers can deliver course specific lectures either in school or online introducing their course and providing all the information to any interested students. They will discuss course content, module options, assessments methods and progression opportunities.	<b>30 mins-2 hours</b>	<b>Lectures and online webinars</b>
<b>Taster Sessions</b>	During the year, there will be opportunities for prospective students to come into the College for a taster session in their area of interest. Students will be able to discover our facilities, equipment and gain an insight into specific HE courses.	<b>1-2 hours</b>	<b>Workshop</b>
